**ACA Anniversary Toolkit**

**Summary:** On March 23, 2010, President Barack Obama signed the Affordable Care Act (ACA) into law. Today, the law provides coverage to over 35 million people and consumer protections to over 150 million more. Join us in celebrating this landmark law, calling out GOP threats to cut healthcare, and highlighting President Biden's plan to finish the job on guaranteeing quality, affordable health care to everyone.

## Sample Content

- #OTD in 2010, President @BarackObama signed the #ACA into law, finally providing millions more people in America with quality, affordable healthcare they can count on. #HappyBirthdayACA

- After years of GOP attempts to repeal, weaken and defund it, the #ACA is here to stay and has helped the United States reach its lowest uninsured rate in history.

  The time is now to finish the job on healthcare and finally guarantee that everyone can get affordable healthcare they need. #ACA

- We can keep building on the progress of the #ACA to ensure that everyone can access affordable care, to rein in corporate price-gouging, and to narrow long-standing racial health disparities in coverage.

  On the anniversary of the #ACA, let's make it happen. #ACA

- It's been more than a decade since the #ACA became law.

  Now, @POTUS is pushing to permanently lower costs and rein in drug prices for private

plans.

Under his plan, the $800 average annual savings that individuals get under the ACA would become permanent and drug corporations would face penalties for raising prices faster than inflation. #HappyBirthdayACA

- More than a decade after the #ACA became law, patients in 11 states are being shut out of Medicaid.

  On the anniversary of this landmark bill, we're fighting to ensure that people everywhere have a fair opportunity to get affordable coverage on the federal ACA exchange. #HappyBirthdayACA

- In the last enrollment period, a record-breaking 16 MILLION Americans got health coverage through the #AffordableCareAct.

  The ACA is here to stay and is helping millions access quality, affordable healthcare.

- The GOP has not stopped trying to take away healthcare, whether it's spending cuts to Medicaid, repealing the Inflation Reduction Act, or extending the Trump tax cuts.

  We won't let them win. #HappyBirthdayACA
